READY FOR THE NEXT LESSON

ASTAR

LEARNING WHEN INFRASTRUCTURE FAILS

ASTAR / PROTOTYPE

START HERE

Open the course. Choose a lesson. Read and practise. Back up your progress. Keep the quick-start guide with your device or computer.

Cut labels: front 185 x 87 mm; instruction label 185 x 48 mm. Print at 100%. Measure the actual box before making a sleeve. These are printable labels, not a box dieline.
