A coordinated team presence

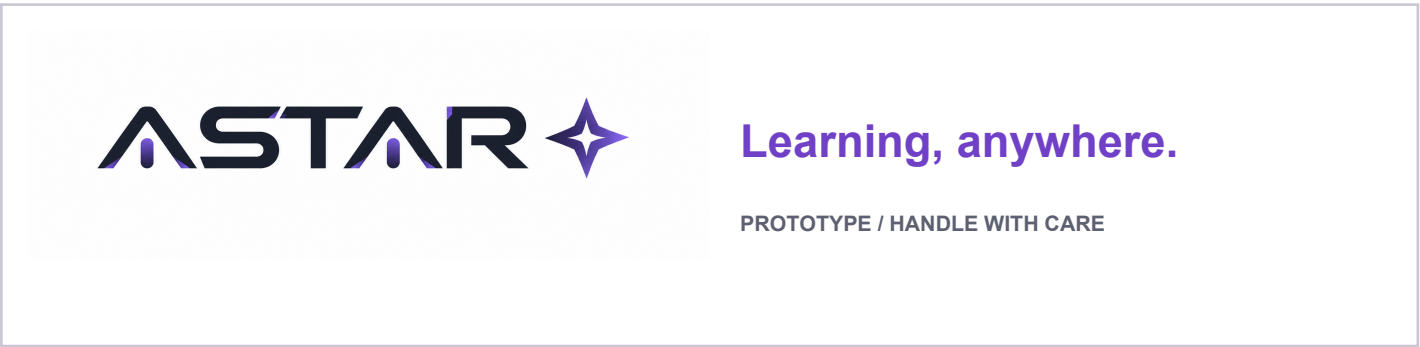

TEAM T-SHIRT / PRODUCTION PLACEMENT

White shirt: supplied full-colour logo, 90 mm wide at left chest. Back: 240 mm wide headline. Black shirt: use a white logo patch or ask a designer for an approved reverse master. Do not print the white rectangle accidentally.

BOX SLEEVE / FRONT LABEL

Label size: 187 x 45 mm at 100%. Fit a sleeve to your actual box after measuring it. This sheet is a placement reference, not a structural box dieline.

PRINT HANDOFF

Supply the original logo PNG and this placement sheet to the printer. Request a physical proof for logo sharpness, purple colour and fabric contrast before the full run.
